Greenville, N. C.

Have enjoyed being in
school with you and know
you these years. I hope
that you will find success
and happiness in the future.
May God help you over
rough spots and keep you
in his care.

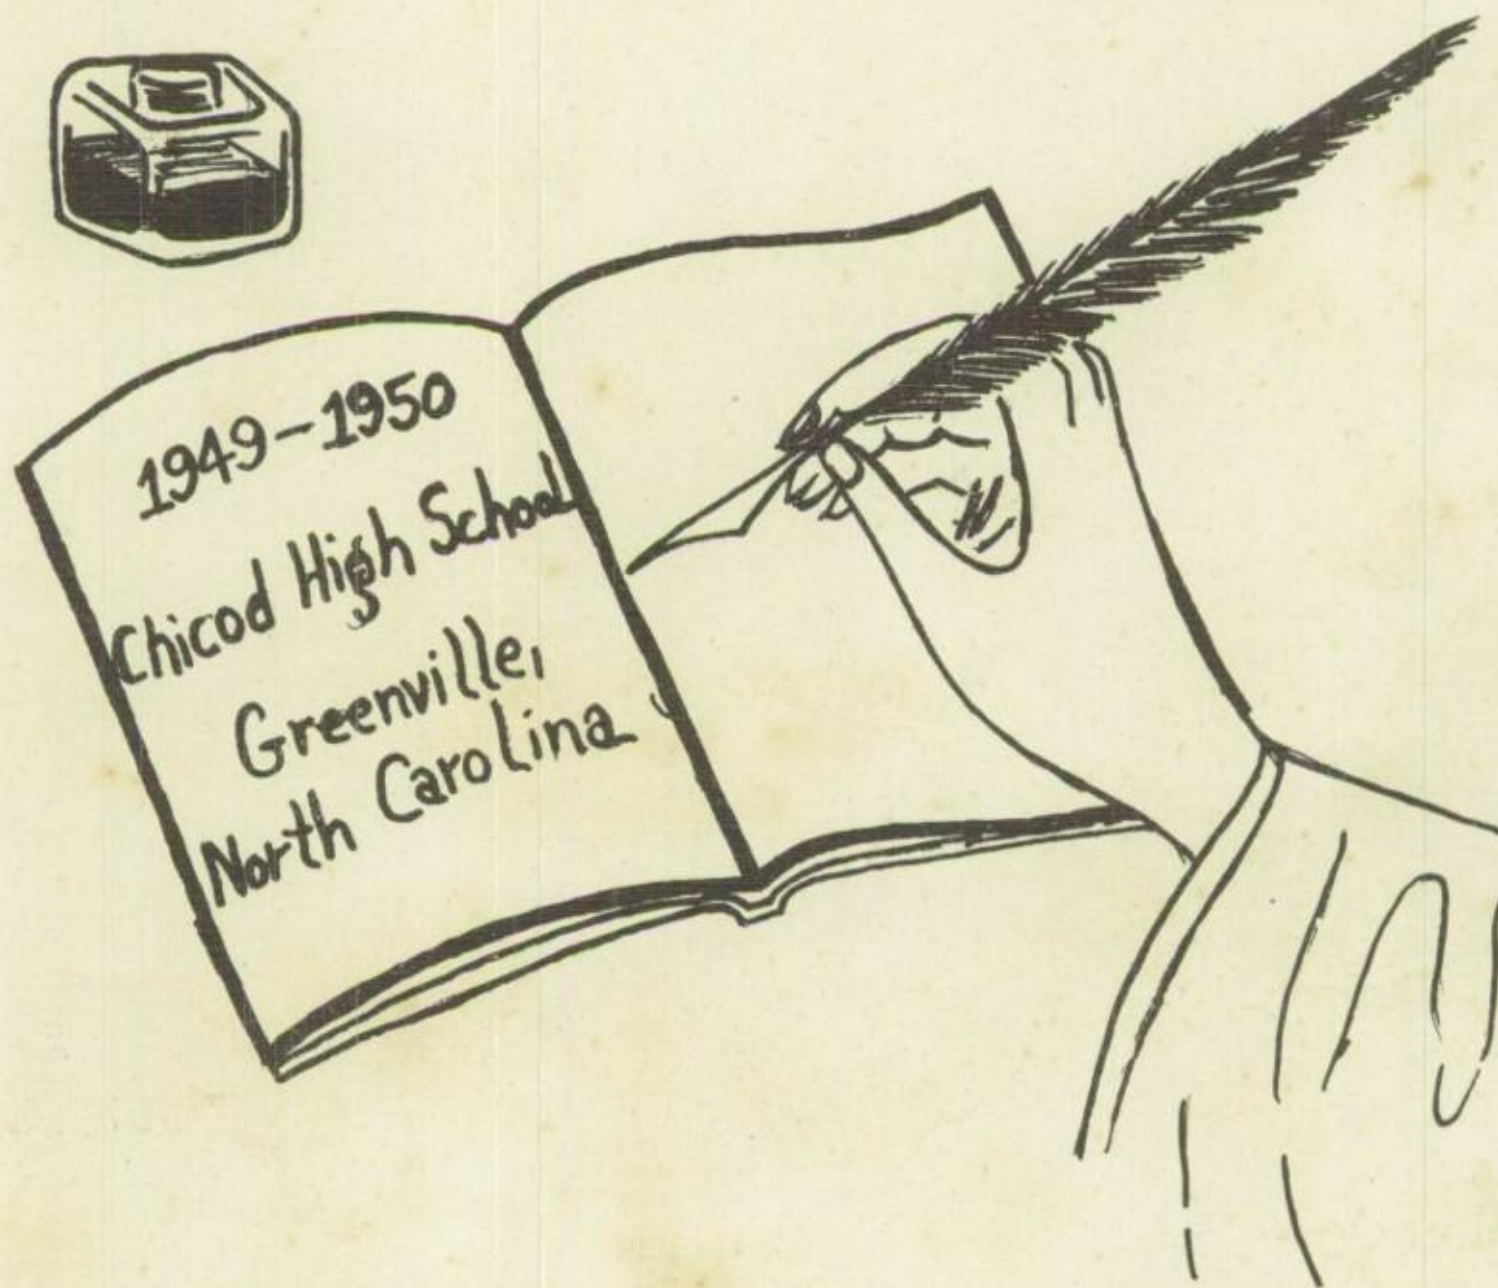

Ottis Mills

Well it has been a great
pleasure knowing you all
these many years. I will
never forget you and the
good times we have had
together. I hope we
will continue on as
good friends as we are
now (or I hope we are)
Lots of Luck and happiness
in the years to follow.
Love Always,
Lena

I have enjoyed
knowing you for
the past few years.
Also enjoyed working
on the paper-stuff. I hope
you will have much
happiness in the future.
